Legacy Bricks: Create A Lasting Tribute at the National Hellenic Museum

A special recognition ceremony will be held on October 2

CHICAGO, IL - Every family's journey is unique, but each and every person who forged a path from their Greek homeland to the United States left an indelible imprint that has become part of our great American mosaic.

Honor that journey and become part of the museum's mosaic by etching your family name in stone on a Legacy Brick that will be mounted and proudly displayed at the entrance to the National Hellenic Museum.

"We participated in the Legacy Brick program because we wanted future generations to enjoy the Museum. We have always supported the Museum and its mission because it gives visitors an appreciation of Greek culture," said Alice Kopan, longtime supporter of the NHM.

A Legacy Brick is a unique and timeless way to honor your family, friends, business, organization, special event, or even yourself. Your name will be etched on one of the bricks and proudly displayed alongside the names of other dedicated Museum patrons. Your donation is 100% tax deductible.

Help us to share and preserve the Greek story in America for generations to come.

All Legacy Brick donors will be honored at a reception on October 2 and receive a commemorative photo.

Don't miss the order deadline of August 19, 2016 for summer installation!

2" x 10" Small Brick - \$3,000

3" x 15" Large Brick - \$5,000

For more information, please call 312-655-1234, ext. 28.
